Submitted to the Chief Secretary for orders.

Mysore Dy. Commr's
no: 92 dated 29th April 1890

There is a Pagoda named Lakshminarrainswami — Temple at Hampapur in the Gadatore Taluq. It is endowed with a Jasdik Allowance of Rs 11-10-0 per annum from Govt.

Is the Temple under Management of Govt Officers in the Muzrai Dept?

One Sreenivas Iyengar, an inhabitant of the said village has given in gift to the Temple his immovable property valued at Rs 5575 in addition to a Pudivat of Rs 300-0-0. He desired that the produce of Lands should be applied towards the payment of the wages of the Temple Servants and for performa-

of various services in the Temple, and appointed a large managing committee retaining thereon his own name and that of his nephew Annayee Iyengar. The gift of the land and his arrangements to administer the temple affairs are evidenced by a Deed which is duly registered, and a copy of the same was printed. He presented a petition to the Muzrai Officer submitting therewith a copy of the said printed rules and requested that effect may be given to the said rules. In fact he wants these rules to be recognized by the Govt. The Archuck in addition to the cash allowance of Rs 11-10-0 paid to him by the Govt is to get 12 candees of Paddy per annum out

of the produce of the Lands. Para 9 of the printed rules (vide page 30) provides for the submission of the annual accounts of receipts and disbursements of the Temple to the Taluq Cutchary and they also lay down that the power of appointments and dismissals of the servants of the Temple should rest with Sreenivas Iyengar and Ramajeiengar or the other persons appointed by him as managers. Para 11 of the same provides that the Govt. authorities may take possession of all the property of the Temple when the present managers of the Temple fail to carry out the arrangements made in the printed rules.

This cannot be allowed

The power of appointing and dismissing the Temple

servants always vested with the Government in the case of Temples endowed with Sadik allowance from Govt.

The question for consideration is whether this power can be conceded to the managing committee.

Mle queries on the marginal decree.

What is the point of the shipping cutt in this appe No 3917 & 15 Bdg 0 para 2. I imagine 562 it has ~~double~~ ce to some order in the Murrai precis subsequently to the date of the decree.

3/June

Decree-proper may be amended in accordance with any rules or instructions of the Govt but the Judicial & Revenue Dr if passed by the Temple will be appropriated & distributed in accordance with the existing S[illegible]. BM 4/8

What is the foundation for this statt:- I think I have instances in which there is a small cash (cash money rent) & even land but the temples are not under Govt management & there is no interference so long as the mgt is fairly managed.

Answers to the Chief Secretary's queries:—

1. The Minzrai Returns received in this office from the Mysore Dist. shew that the temple is one of the Minzrai institutions under the management of Govt. Officers.

2. The Minzrai precis or Memo submitted herewith may shew that Committees of temples endowed with Sastdi & allowance from Govt. should not be vested with independent powers vide para 3 of the late Chief Commrs. order No. 4311/G.183 dated 3rd Novr./73 (page 12 of the Minzrai Memo) and Minzrai management Rules

Rules Nos. 44, 45 and 47 (page 50 of the Memo).

3. The point of enquiry contained in this office 8917/562 dated 15th Feby/90 has reference to the last para of page 11 of the Mudgal precis prepared by Mr. Krishna Rao. In the case of temples managed by committees, disputes occasionally arise between the committees and the hereditary managers or archicks of the institutions. The printed rules forwarded by the present managers of the temple shewed that the temple was under their management for the last 3 years and so the Dy Commr was asked to report whether they conducted the affairs of the temple regularly (that is, without any irregularity or dispute) during that period.
